

Eschet Chayil Woman of Valor Declaration

Heavenly Father, by the power of the shed blood of Your Son, Jesus, and under the authority of His Name above every name, we, the blood-bought daughters of the One True God, declare:

We've been redeemed by the love of the Father through the blood of Jesus and operate in the authority of His shed blood.

We serve under the Commander of the Lord's Armies who defends, strengthens and protects us from all principalities, powers, thrones, dominions and forces of the evil one.

We believe all power and authority in heaven, on earth, and under the earth given to the Lord Jesus Christ now lives in us. The gates of hell shall not prevail against us. No weapon formed against us will prosper.

We are covenant daughters of the Most High God. Hand-crafted, chosen, anointed and appointed for the call God has on our lives.

We stand ready to receive the assignments He has for us. We march forward together ... equipped and empowered women of valor ... ready to give our lives away for Jesus.

We are bold. We are brave. We stand confidently in who and Whose we are because greater is the One who lives in us than the one who lives in the world.

We know these truths. We believe these truths. And, we commit to live these truths to bring honor and glory and praise to our Creator and our Conquering King.
